Week 11

How is it the end of Term 1 already!!!

Grace, Modista and Charlotte have had a busy few weeks at school participating in many fantastic activities.

The girls travelled to Woolbrook Public School along side Bendemeer and Niangala Public Schools, participating in the UNE Discovery Science Day. I think its safe to say the girls had a wonderful day catching up with their friends from the other small schools.

With that the girls have also been busy each Monday painting beautiful art pieces with Mrs Hoare and Mrs Carter!

The girls also participated in Harmony Day, creating easter hats and parading them, Yoga Skills, Harvesting our garden and welcoming our new ISA Brown chickens.

Yoga Wednesdays!!!!

School Activities Calendar

Term 1

- 4th March** - Modista's Birthday!!! (HAPPY BIRTHDAY)

- 19th June** - Healthy Harold Life Education Van at Niangala Public School
- Scripture will commence fortnightly starting on the 20th February 2025.**

Harmony Day

On Thursday 20th March Yarrowitch Public School students celebrated Harmony Day. Students and staff come dressed in orange, which is the international colour for social communication and meaningful conversations. Harmony Day celebrates the fact that Everyone Belongs, with this year's theme being '**Harmony- we all have a role to play**'. Students participated in classroom activities and contributed to a whole class artwork.

The students welcomed their new chickens to Yarrowitch Public School. The girls enjoyed releasing the chicken into their new home, where they made sure they had plenty of fresh food, water and hay to scratch in.

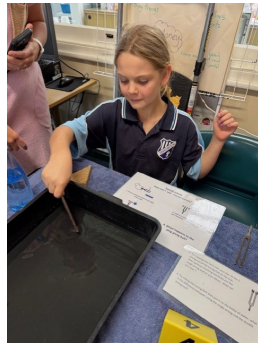

Our chickens have settled in well, enjoying being free in our playground and feeding on the scrapes and vegetables picked from our garden! We can't wait to start collecting their eggs again!

UNE Science Bus Visit at Woolbrook PS

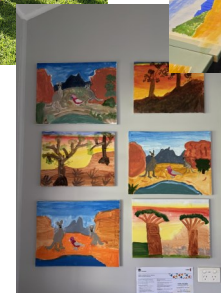

On Friday the 21st March, Yarrowitch students and staff travelled to Woolbrook school to participate in a day filled with science.

There were 4 sessions that students rotated between. These were Creative Chemistry, Science meets Art, The Magic of Physics and Palaeontology Puzzles. Our students enjoyed hands on activities and experiments throughout the day as well as playing with new and old friends from Woolbrook, Niangala and Bendemeer Primary schools.

Painting Skills

Modista, Grace and Charlotte have been participating in creating some fantastic Landscape art pieces with assistance from Mrs Hoare. The girls each painted three pieces, inspired by their Unit of work 'Yahoo Creek An Australian Mystery'. They should each be very proud of their art pieces!

Vegetable Harvest!

The girls harvest some delicious vegetables from our Garden!
They each took some home to share with their families.

happy EASTER

The girls worked hard on creating their very own imaginative Easter hats, each uniquely decorated with chocolates and colourful touches. The girls had big smiles on their faces whilst creating and parading their hats but had even bigger smiles as they nibbled on the delicious Chocolate! What a fantastic treat to finish off the Term! Thank you Mrs Mac for the lovely chocolates.

We would like to wish you all a happy and safe Easter break! We hope you all have a wonderful Easter and receive many delicious Chocolates while spending time with you dearest!

Students return to school on Wednesday 30th April.

Happ Easter from all of at YPS!!
